

DPAP, E-Business Conference
May 23- 26, 2005
The Rosen Centre
Orlando, FL

Senior and mid-level acquisition personnel throughout DoD will join industry partners to discuss the current direction of DoD's business transformation. Don't miss your opportunity to hear from department acquisition leaders as they communicate business transformation plans and share expectations for the future.

Keynote speeches from senior government and industry leaders will cover the importance of the Acquisition community's support for the Warfighter while we explore real-world examples of transformation. Breakout sessions will cover topics such as the Federal Integrated Acquisition Environment, Workforce Transformation, Strategic Sourcing, Asset Accountability, and DoD enterprise systems.

Come help define the future of E-Business across DoD. To register or learn more about this conference, visit the DPAP, EB [Website](#).
